Coaches will be assigned after all teams are formed, so there is no need to call me to ask about practice days or times. We have no way of knowing exactly what nights or times you will be practicing or exactly what nights and times games will be. Generally, coaches will practice once or twice a week for about 1 hour or more. This could be any week night or on Saturday or Sunday afternoon. It is up to the coach. Games will be on most Saturday mornings and occasionally on Tuesday or Thursday evening. You can control when you practice by agreeing to coach.
