

2023 Sponsorship Form

South Shore Soccer Association has been operating for over 25 years and we have coached and supported well over 2000 young kids during that time. We are proud to be locally supported, voluntarily run, and self sufficient with help mostly from local businesses. We typically have over 75 players from Cotter/Gassville area, over 75 players from Bull Shoals/Flippin area, and over 75 players from the Yellville area. We are once again looking for potential sponsors for soccer teams for the upcoming 2023 fall season. We anticipate having approximately 200 youth players on 24 different teams and age groups.
